

Dear parents, dear pupils!

Important information regarding the spread of the corona virus:

As of Monday (March 16, 2020), all schools will be closed and no classes will take place.

This also applies to all school trips, excursions and internships.

There is emergency care for children in grades 1-6 if their parents have special needs. Please speak to the school management about this.

On Wednesday March 18, 2020 there will be further information for an emergency mode that is also required.

The final exams are expected to take place from April 20, 2020 onwards. The Ministry of Education will work with schools to adjust procedures.

Please inform yourself on the website of the Ministry of Education. If you have any questions, please contact your school.
